Young   
Innovation  
Award 2019

ST. JOSEPH'S  
COLLEGE OF ENGINEERING  
AND TECHNOLOGY,  
- PALAI -

## ABOUT THE INSTITUTION: ▾

SJCET, Palai was established in the year 2002 by the Catholic Diocese of Palai as the realization of the futuristic vision and dream of developing a world-class, pace-setting institute of engineering and technology with distinct identity and character, meeting the goals and aspirations of the society.

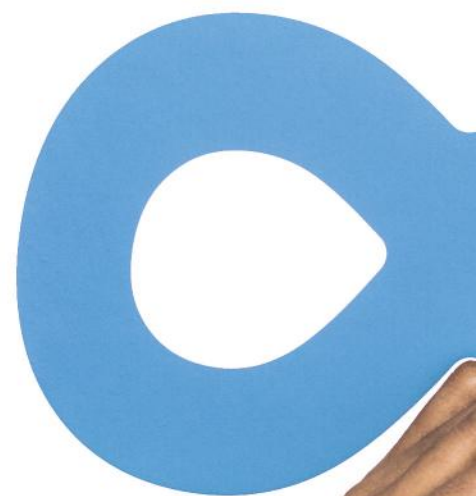

## OBJECTIVE OF THE PROGRAMME: ▾

The main objective of constituting St. Josephs Innovations Award is to recognise the young scientists / innovators among the students of Kerala by showcasing their innovative projects developed during their school life. It is expected to provide a platform for future scientists and engineers to present their creative and innovative engineering solutions, and thereby create an opportunity to interact with the fellow innovators and other expertise.
